

# Creditinfo Academy Webinar Speaker

---

**Date:** Thursday, 12th February 2015

**Time:** 15h00 Central European Time (CET)

**Location:** Webex

**Topic:** Communication - how to be a little less rubbish at this!

**Speaker:** Simon Camilleri, CEO, Creditinfo Malta

Simon Camilleri, CEO for Creditinfo Malta, has over a decade of experience in setting up and developing innovative credit risk management companies throughout Europe. Simon who is half Welsh and half Maltese also worked as MD for Creditsafe in the UK in addition to managing the company's startups in Ireland, France and Sweden. As a result of his credit industry experience and a further ten years in the insurance industry, he has provided independent consultancy in these areas also.

**Creditinfo Malta** is a respected provider of Credit Risk Management Services in Malta. Founded in 2002, the first overseas business venture of the Creditinfo Group.

Locally the company offers risk management tools, as well as other value added products and services, such as prospect lists and data cleaning, enabling any business or sole trader to manage credit risk more effectively and to maximize the benefits of their business relationships with their clients and suppliers.

Trading in Malta for over 12 years has put Creditinfo Malta in a unique position to help any type of business regardless of size or sector by providing relevant, up-to-date accurate information through a range of value added solutions in modelling and analytics covering contemporary business needs across the customer life cycle.

Supported by a specialist team, which has continued to grow in the last two years, Creditinfo Malta continues to invest, review and introduce new products and services to its market to meet the business challenges of their clients.
